### **Ryan Fournier Endorses Anna Paulina Luna**

*Fournier is the Founder & Co-Chairman of Students for Trump*

**SAINT PETERSBURG, FL** – Today, Ryan Fournier announced his endorsement of Anna Paulina Luna in the FL-13 Republican Primary Election.

“Anna is Pro-God, Pro-Life, Pro-Gun, and Anti-Socialist,” said Fournier. “She served our country in the United States Air-Force and is for secure borders, term-limits, and defending our Constitutional Rights. She is precisely the type of person we need in Congress and is the only Republican in this race that can beat Democrat Charlie Crist in November. I am proud to support her.”

“I am grateful to have Ryan’s support,” said Anna Paulina Luna. “Ryan is a man of action. He is bold in his faith, resolute in his beliefs, and has become an important voice in the conservative movement. It is an honor to have his endorsement, and I look forward to working with him to educate the next generation about conservative principles.”

Ryan Fournier co-founded Students for Trump in 2015. He currently serves as Co-Chairman, along with Charlie Kirk who is also the founder and executive director of Turning Point USA. Kirk previously endorsed Anna Paulina Luna.

An outspoken supporter of President Trump herself, Luna continues to coalesce the support of some of the most well known Pro-Trump voices in the country.
